Greetings from the Vice Commodore.

Welcome to Grosse Pointe Farms Regatta 2014.

This year represents our 63<sup>rd</sup> Annual Regatta, and as General Chairperson of this year's event, I must say what a pleasure it has been working with such talented and dedicated volunteers who have worked so hard to make this year's Regatta the extra special event it has continued to be throughout the years.

The Regatta features many of the popular events of past Regattas, with the addition of an event we are reviving after a 3 year absence; Sail Racing, which will be held Friday, the first day of the festivities at 7:00 P.M. The race features a dynamic reverse handicap start and an exciting finish; first boat to cross the finish line wins!

Please accept my invitation to enjoy and participate in as many events as possible. You are sure to experience fun and laughter at each and every one.

Special thanks to Kim Corbeil, President of *Your Event Partner*, for her help in obtaining Sponsorship support.

Very Special thanks to Scott Bade, Commodore, for his unfailing guidance and assistance to me in preparing for this year's Regatta.

Ron Mack, Vice Commodore

## **The History of the Grosse Pointe Farms Boat Club**

*Since 1955*

For nearly sixty years, members of The Grosse Pointe Farms Boat Club have worked to enhance the lives of residents in the community of Grosse Pointe Farms, Michigan. The club partners with the GPF Parks and Recreation department to provide meaningful and memorable community events throughout the year.

Membership in the GPFBC is open to any resident of Grosse Pointe Farms and we are proud to boast over 160 families of all ages and stages...there's always room for YOU in Grosse Pointe Farms Boat Club! (Visit our website to signup: [gpfbc.com](http://gpfbc.com))

### **A brief history...**

The *Grosse Pointe Boat Owner's Club* was founded in 1955 and had twenty-two members. In 1957 the name was changed to the *Grosse Pointe Farms Boat Club*.

At inception the club assumed responsibility for the Regatta (held since 1953). The early Regatta's included a review of decorated boats, boat races and an elected queen.

As community interest grew so did the size and scope of the Regatta. Raffle tickets and brochure advertising were introduced to help finance the weekend. The program of events has been regularly expanded to include activities for young and old.

In addition to the Regatta, the Club presents year-round activities for the community such as cook-outs, holiday parties, the Commodore's Ball, and sailboat races. The club also raises money to support improvements to the Pier Park. In recent years we funded the park benches, the observation telescope, and the Gerow Memorial Deck.

## *A note to our sponsors*

*From the Vice Commodore*

*Thank you so very much for your support of Grosse Pointe Farms Regatta 2014, and the Grosse Pointe Farms Boat Club.*

*The Boat Club serves the residents of Grosse Pointe Farms by partnering with the City Parks and Recreation Department, to provide meaningful and memorable community events throughout the year. The annual Regatta is by far the largest and most attended of these events, spanning over 3 days and including 15 fun family events*

*By supporting this Regatta, you too share in our partnership with the City, and enable us to continue this mission.*

*Also, through our fund raising efforts, we are also able to purchase many of the enhancements our residents enjoy every day at the Park; binoculars, benches, and most recently the George Gerow Viewing Deck, to name a few.*

*So once again, please accept my most sincere appreciation, and good luck and good fortune to you and your business for the remainder of the year, and into the future.*

Bringing up the Rear...

Welcome to our 2014 Annual Regatta...the biggest event of the year for the GPF Boat Club and the Community of Grosse Pointe Farms.

As Rear Commodore I help plan the Club's social events. So far this year our events have included our Winter Wine Wonderland, Commodore's Ball (held at the historic War Memorial), a fun-filled evening of Feather Bowling, our Cinco de Mayo Party, our Annual Member's Appreciation Picnic and a few of our quarterly general membership meetings where food and beverages are served. It's not too late for new members to join and attend our remaining events which include a Boating Rendezvous, Lobster Roast and Halloween Party. Membership is open to residents of Grosse Pointe Farms and you do not have to own a boat. I look forward to answering your questions and you can reach me at: [rearcommodore@gpfbc.com](mailto:rearcommodore@gpfbc.com).

Enjoy the Regatta!

The Party is Here!

The Farms Regatta is a day to celebrate the Fourth of July and our liberties by being with family, friends and neighbors, young and old, and to share in the celebration together of the beauty and natural resources that surround us. For our family it means taking the time to be with those you love and bring you joy at our favorite place; the Farms Park.

Our Mother, Grandmother and friend, Marilyn Smith King, (pictured above 3<sup>rd</sup> from the right in the front row and below) showed us by example how to live in Love and Joy. We want to share a little bit of how she celebrated life and how the Farms Park was such an important part of that celebration that continues.

Marilyn was born in 1929 and grew up in the Farms. She graduated from *The High* in 1947 after working as her Student Association class secretary during the WWII years. Amazingly from the time she was in high school to today a group of these great friends still picnic at the Farms Park EVERY Memorial Day, Fourth of July and Labor Day since! Not to mention the times in between-Sunday picnic nights, showers, graduations, weddings, and many other celebrations at the Pier. They would love for you to stop by and say hello!

She showed her love all the time by sharing a smile, a hug, a kind word or deed. She always looked on the bright side; laughing, dancing, sharing a meal, listening closely, giving the benefit of the doubt, and always forgiving. Now she has a bench in her memory next to the play scape for us to reflect on her lasting gifts to us.

On her last day she said she was "a happy go lucky girl" and throughout her life, Marilyn radiated love and joy and in honor of what would have been her 85<sup>th</sup> birthday on June 30, 2014 we wanted to share her loving, joyful spirit in this celebration with you!
