Revision 2

8/13/2016 1:38pm

- Swish – sail # 22 started in a class before SPIN A. Their intended sail plan for the series was for JAM only. As a result, they have been moved to JAM A with a rating change to 120. They have been rescored as OCS on race #1 and race #2.
- Phantom – sail # 168 SPIN A – JAM rating adjustment from +12 to +27 in accordance with the following reason:

When the J100 was first released, it didn't have a sprit, and they were rated 93 with a 108 JAM rating. They then made the sprit an option and Phantom has it. DRYA gave the boat a 12 sec penalty for the sprit, but left the JAM rating at 108 because the sprit doesn't affect speed when not being used. Thus $81 + 27 = 108$ JAM rating is correct.

- Stray Dog was erroneously scored earlier than 39'r. Conversations with skippers of both boats supports swapping of times. Reason for error is unexplainable.
