Shockwave in Sport Boat class notified the RC (me specifically) that they sailed JAM.

The skipper emailed me that he had texted. I carefully double-checked my records on my Samsung and no text was received. While out of town Sunday May 29th, I saw the text sent on my iPad and it was timestamped prior to Shockwave's start time. The adjustment caused a position change in Sport Boat class finish order.

Shockwave went from 3rd to 2nd.

Two Hearted went from 2nd to 3rd.

I am looking into why this problem happens. Until the problem is resolved, I will try to check my Apple devices.

If you ever believe I missed something regarding scoring, please contact me so I can investigate it before the next race!
