

2024 Spring Series Race #4 – June 20 - Abandoned

Revision Notes

6/21/2024 12:21pm

Last night's race was **abandoned** and **will NOT count** in the final scoring for the Spring series.

The scoring software **will drop race #4** for all competitors.

It was absolutely confirmed that the Mark was set well before 6:00pm.

The race committee can speculate no better than anyone else as to what happened to it.

Reminder:

If you believe I missed something regarding scoring, please contact me so I can investigate it before the next race!
